

Acknowledgement of Confidentiality Requirements

I acknowledge that my company has agreed to either the OpenFabrics Alliance Interoperability Working Group (OFA-IWG) Charter which must be adhered to for participation in OFA-IWG Interoperability Events, or the OpenFabrics Plugfest Agreement covering this event.

I agree to treat as confidential all information concerning activities taking place at the Events, including, but not limited to, all test activities and test results for each Event, and all other guests' respective non-public information disclosed at the Event to Guest concerning their research, experimental work, development, design details and specifications, engineering, financial information, procurement requirements, business forecasts, sales and marketing plans as confidential information ("Confidential Information").

Note, any problems discovered with the OFA Software Stack (OFA-SS) are not confidential per article 17 of the OFA Bylaws.
